Dear Mr. Weisberg:

In response to your letter of November 24, we have reviewed our copy of the death certificate, which is also a poor reproduction of the original.

It is our opinion that the words after "Immediate Cause" are "Gun Shot of Brain." The signature appearing on the document is that of Kemp Clark, M.D.

Our file simply does not contain the other information or explanations you requested.

Very truly yours,

Thomas J. Kelley
